

STATEMENT FROM DREAMWORKS STUDIOS REGARDING 'TROPIC THUNDER' AND THE
STUDIO'S ONGOING DISCUSSIONS WITH DISABILITY ADVOCACY GROUPS

"'Tropic Thunder' is an R-rated comedy that satirizes Hollywood and its excesses, and makes its point by featuring inappropriate and over-the-top characters in ridiculous situations. The film is in no way meant to disparage or harm the image of individuals with disabilities."

"We have had productive discussions with representatives of disability advocacy organizations and look forward to working with them closely in the future. However no changes or cuts to the film will be made."
