

Interviews with 1,030 adult Americans, including 953 registered voters, conducted by telephone by Opinion Research Corporation on March 19-21, 2010. The margin of sampling error for results based on the total sample is plus or minus 3 percentage points and for registered voters is plus or minus 3 percentage points.

33. As you may know, Congress is considering legislation that would increase federal regulation over banks, Wall Street investors, and other financial institutions. Based on what you have read or heard about this, do you favor or oppose this legislation?
