MITT ROMNEY'S PAC SENDS OUT NEXT WAVE OF DONATIONS TO CONGRESSIONAL REPUBLICANS

As the GOP battles in Washington to cut government spending, Governor Romney's Free and Strong America PAC showed its support today by announcing the next wave of contributions to congressional Republicans, committing a total of \$83,500 to 40 U.S. Senate and House leaders.

These contributions come on top of the \$124,500 that Romney's PAC sent to 50 U.S. Senate and House Republicans last month, bringing year-to-date donations to federal candidates to over \$200,000.

"It is important that we stand with our Republican Members of Congress and show that we support their pro-growth agenda and their efforts to reduce the size of government," Romney said. "Now is the time for all of us to send a powerful message that Americans will no longer tolerate the Washington culture of higher taxes, higher spending, and higher debt."
