# OTHERS CHOSE TO SERVE THEIR COUNTRY

## HONORING VETERANS THE PERRY RECORD

- Perry signed “College Credit for Heroes” to allow veterans to obtain college credit for the top-level training and skills they received while in the military.
- Perry provided property tax reductions for veterans with disabilities.
- Perry signed legislation providing housing assistance for our heroes who often come home with little income and no job.
- Perry delivered in-state tuition for veterans, their spouses and children regardless of their state of residency to advance their educational needs.

## HEROES DESERVE MORE THAN HONOR THEY DESERVE OPPORTUNITY

- **FULL ARMOR PROTECTION** No member of the military will ever go to battle without access to the best equipment in the fight against foreign enemies.
- **JOB PREFERENCES FOR VETS** Rick Perry supports employment preferences for veteran applicants and training to ensure their military skills translate to the civilian workplace.
- **ACCESS TO THE BEST HEALTHCARE IN THE WORLD** Rick Perry will spend whatever it takes to provide physical and emotional healing to war-scarred veterans. He will increase resources for disabled veterans, offering a broad spectrum of rehabilitation services and long-term support for those who have made great sacrifices for our country.

## RICK PERRY Proud Air Force Veteran

Following in the tradition of his father, who fought in World War II as a B-17 tailgunner over Nazi Germany, Rick Perry was commissioned as an officer in the United States Air Force. He served his country around the globe, flying C-130 tactical airlift missions, and he logged over 3,000 flight hours in military aircraft.

A VETERAN WHO SERVED. A COMMANDER WHO WILL LEAD.
