

NORTH AMERICA

A topographic map of North America, including the United States, Canada, and Mexico. The map uses color to represent elevation, with greens for lower elevations and browns for higher elevations. State and national borders are shown as thin black lines. The Great Lakes are visible in the central-eastern part of the continent. Florida is highlighted in a solid yellow color. A red dot with a black outline is located on the west coast of Florida, representing the city of Tampa. A white pointer line connects this dot to a label box.
