

***HOOSIERS ARE CONCERNED  
ABOUT JOB GROWTH...***

***AND...DICK LUGAR is  
STANDING UP FOR INDIANA.***

**Senator Lugar has a record of protecting Hoosiers from harmful Washington job-killing policies.**

## KEYSTONE

**Senator Lugar is fighting for the development of the Keystone XL Pipeline** which he said would “create thousands of private sector jobs, and... help protect United States national security interests.”

## DODD-FRANK

**Senator Lugar fought against job-killing regulations** that have cost American businesses over 24 million hours in filling out forms instead of creating products and jobs.  
(H.R. 4173)

## OBAMACARE

**Senator Lugar is working to repeal and replace** this overstepping of governmental regulation. (S. 223)

## CAP & TRADE

**Senator Lugar stood strong** in support of Indiana’s coal miners and for keeping energy rates stable for Indiana families. (S. 3036)

1615 H St. NW  
Washington, DC 20062

**Call Dick Lugar  
at (317) 226-5555.**

**Tell him to keep fighting against job-killing policies and regulations by supporting the Regulatory Accountability Act of 2011 (S. 1606).**
