

In the name of God, Most Gracious, Most Merciful

Praise God, He who promised and fulfilled, promised and forgave, and peace and prayer be upon the gentleman of the honorable, his perfect honored family and companions.....

Honorable brother/ Azmarai, may God preserve you

Peace, mercy of God and His blessing be upon you. I hope that you and those with you are in the best of condition. And may God gather us on what is pleasing and satisfying to Him ,from glory of the world and winning of the hereafter..

Furthermore, these are some thoughts that I am adding to the letter which I previously had sent to you, last 12 of Dhul Al-Hijja (TN: No year given, most recent would be 19 November 2010):

Concerning our friend's letter (NFI) addressed to you; here is what I think. It is that those brothers might have sent the letter out of fear, too concerned about inflating the size and the growth of Al-Qa'ida, with God's blessing and strength. In addition, they think that bearing the burden of this huge body is overburdening, confining their energy, and exposing them to problems with many other parties. Especially, they desire and wish to walk toward development and construction. Therefore, they are satisfied with keeping those who resort to them and not exceeding that. I am afraid that this kind of perception, if that is reality, will lead them to exercising pressure on us to not to say so-and-so, or disassociate from so-and-so, denounce your connections with so-and-so, or deny your ties with so-and-so...etc. Thus, I see it to be very essential for Al-Qa'ida to confirm and declare its linkage with its branches, in order to become a reported fact, there is no use in denying it. Therefore, please reconsider your opinion not to declare the accession of the brothers of Somalia so as not to be pressured later on to announce our disassociation with them or with others...And God is the conciliator to all the best....

There is another issue, which I would like you to look into carefully; it is concerning controlling the affairs in general, membership and the affiliation in particular. There is no secret to you that, in the past, there were a lot of advantages and faults. However, what I would like to emphasize in this letter is the issue of individuals, those who pledge allegiance, and the affiliates. Therefore, from the last experience it showed

that there were considerable variation between people and those individuals who pledged the allegiance. The problem is that Al-Qa'ida has become a broad field; each can enter, (TN: unclear possibly, sufficient) to declare his allegiance, does not wait to see whether he was accepted or not, even though the pledge is a contract between contractors.

In the last period, great figures with high quality have emerged, and also some figures have emerged did not benefit any groups by their affiliation, yet some kind of bragging and boasting appeared by joining Al-Qa'ida. And, the formulation of specific titles have been published by their owners in the network of information. This is a member of so-and-so, and that one is in charge of so-and-so, and this is straying from Al-Qa'ida familiarity. Moreover, if it comes from godly individuals, then it will have some positive impact deep inside. So what do you think if it comes from those individuals who are not on the appropriate levels?

In addition, in the last period, some figures have emerged collecting money in the name of Al-Qa'ida, and play at that... and I think you might have heard about the brothers of "Al-Zayat" (NFI) in general, some of them have abused the money to varying degrees. Anyways, the important thing, honorable sir, is that the issue needs to be controlled, to know who is member of Al-Qa'ida, what his function is, what side he follows, what is the way to impeach him, so as not to increase the friends of desire and greed and seclude those friends of religion and morals. And if the shortfall had sneaked upon the first generation, despite being near to the vow during the prophecy period, don't you think it will sneak upon us?

Things were stable until our master 'Uthman (TN: Third Caliph) - may God be pleased with him - started bringing his close relatives to power, and the sedition that followed his death may God be pleased with him, lasted what God wanted for it to last. Then, when Muslims had recovered and things started settling down during the year of the "Group"; our master "Mu'awiyah" marched them in a satisfactory way, until he started seeking to extract the succession of the nation in order to attribute it to his son. Then the sedition of Husayn, may God be pleased with him, followed by the sedition of Zubayr's son, may God be pleased with them both. Then sedition became widespread, the effect of which still exists to this day.

Anyway honorable sir, the intention is that it is predictable, with God's permission and blessing, achieving victory is near, and it follows the overflow of individuals, groups and their haste to pledge the allegiance. Therefore, starting from now please think about controlling the matter with a system that deals with people, each according to his religion, piety and contribution. And, governing the people with Shari'ah, which brings those who are moral and righteous closer to each other. Those who have groups established, nations, and whom victory descends upon, they fend off people of ambition and prejudice. God help us for all the best.

A final personal request, which is, I am asking you to pray for me, and my family for health in my religion, the world, and good offspring.

In conclusion, I am asking God to assume you in His care, preserve you, us, and all Muslims from all harm..

And I entrust you in God, Whose deposits do not go to waste.

Please destroy the letter after reading it, and may God reward you with the best.

Peace

Your beloved brother
