

NORTH AMERICA

A topographic map of North America showing the United States and Mexico. The map uses a color gradient from green to brown to represent elevation. A yellow rectangular callout box highlights the state of New Mexico. Inside this box, a red dot with a black outline marks the location of Albuquerque. A black rectangular label with white text is positioned above the callout box, identifying the location as 'ALBUQUERQUE, NEW MEXICO'. At the top of the map, a yellow banner with a black border contains the text 'NORTH AMERICA' in bold black letters.
