Thomas 4-21-86

After talking to you on the phone it is my understanding that when I go for sentencing on June eighteenth I will receive a sentence of twenty five years to life for the murder of Mr. Davies and the attempted murder of Grace Davies. The Robbery, Burglary, auto theft will run cc with the murder. Mercy I know that I have some appeal action coming. But this is taking one hell of a chance and I aint that fuckin brave. There isnt any half time with a life sentence, six teen years eight month to the board and as far as the judges running the attempted murder, Robbery, Burglary, auto theft, cc with the murder, that dont mean shit because after you do the six teen years eight months the board will enhance you for the gun. Thats another two years right there and I dont want any part of this bullshit at all Mercy. Now the judge appointed me Mr. Gibbert as my attorney. The judge said that he knew Mr. Gibbert for a long time. He said that Mr. Gibbert was a District attorney for nine years Then he went into his own practice. The man has a lot of law school ****

1 pg 2:
2 and this is why the judge appointed him to
3 represent me. So I dont get screw around. But
4 for some reason you people wont let this man
5 help me. You say that Mr Gibbert can not get
6 involve in the legal matters of my case
7 what kind of bull shit is that Mercy at the
8 time I feel that I am getting screwed around
9 bad .. as far as I am concerned there was a
10 verbal agreement of no more then twelve years
11 I been as up front and honest as I could be
12 I gave you DeSantis and Killian. I did my
13 part all the way to the end. I even lied my
14 ass off on the stand for you people. I did not
15 kill Mr. Davies or did I shoot his wife. and I
16 believe if I had the chance I could prove that
17 I wasnt even there when Steven went back and
18 finish the old man off Now I know that if
19 will look good for you people when it comes
20 out in the paper, Gary Masse get twenty five
21 years to life for his part. That would look really
22 good. But until you can come down here and show
23 me some sun light. I mean show me. If you
24 cant do that, then I will fight you people. Ill
25 give that fuckin press some thing to put in
26 there paper and Ill bet I will get me a new
27 trial - all Im asking for is what I have
28

1 pg. 3:
2 coming and a nice place were I can
3 go do the rest of my time. I would like
4 either go to plasonton or Lexington Ky,
5 and Im not going for a life sentence Thats
6 bull shit please dont make me fight you
7 people I want to get this over with so I
8 can get down the road. Im tired of being
9 in this whole my mind has been fuck up
10 ever since I been over here. I keep getting
11 these anxiety attacks and there kicking my
12 ass bad. They wont give me any help over
13 here. Tom because I am a safe keeper and
14 dont belong to them. and thats bullshit. I
15 wrote my attorney a letter asking him to
16 call down here and find out why I cant
17 receive the medical help I need. But the
18 dirty sonofabitch writes back saying Since
19 you are in the custody and under the
20 control of the medical facilities at vacaville
21 needed medical treatment is within their
22 jurisdiction. I would assume that if
23 you are in need of treatemnet They would
24 provide the necessary treatment. However
25 I am forwarding your letter to the office
26 of the district attorney what kind of bull
27 shit ****
28

1 pg. 4:
2 he cant do anything for me because you
3 people wont let him I guess what I have to
4 do is write the judge and let him know every
5 thing that has happen from the very beginni
6 until now. This way he will know a head
7 of time before I go to court what the happs
8 are. I hope this letter makes since to you, I
9 dont blame you for any thing I really dont
10 blame any body Im just fighting for
11 what I have coming ... and right now I dont
12 see any sun light mercy. well Tom Im
13 going to close this letter for now. I hope to
14 see you real soon you take care of your
15 self and watch them stop signs

Gary
