

ST. IGNATIUS COLLEGE PREPARATORY
SAN FRANCISCO'S JESUIT SCHOOL SINCE 1855

Dear Parents,

Prom season is fast approaching and we need to ask for your assistance. Both the Junior and Senior proms are formal events and the attire should be moderate and reflect pride in both the person and the school. We know that there are many styles of dresses that are marketed to teenage girls that do not reflect our philosophy and are not appropriate for a school dance. In the case that a student shows up dressed inappropriately, the student will be assigned detentions and/or be sent home if necessary.

Please support your daughters by helping them make a good choice and your sons by encouraging them to pass on our expectations to young ladies that they invite from other schools. Attached you will find some examples to help clarify what is appropriate. Please contact us in the Deans office if you have any questions.

Thank you for your help!
