Date: 14 March 2016

Our investigation is not complete as to the incidents of Wednesday, March 9, 2016. We are continuing to look at the totality of these circumstances, including any additional charges against Mr. McGraw, including the potential of whether there was conduct on the part of Mr. Trump or the Trump campaign which rose to the level of inciting a riot, and including the actions or inactions of our deputies.

We are not in a position to comment further at this time.
