

The logo consists of two parts. The top part is a grey rectangular box containing the text 'CNN | ORC' in a bold, black, sans-serif font. The 'CNN' is in a stylized, outlined font, while 'ORC' is in a solid black font. A vertical line separates 'CNN' and 'ORC'. The bottom part is a solid black rectangular box containing the word 'POLL' in a large, white, bold, sans-serif font.

**Interviews with 1,014 adult Americans conducted by telephone by ORC International on June 11-13, 2013. The margin of sampling error for results based on the total sample is plus or minus 3 percentage points.**

**The sample includes 710 interviews among landline respondents and 304 interviews among cell phone respondents.**

---

\*Asked of a half sample.

## **METHODOLOGY**

A total of 1,014 adults were interviewed by telephone nationwide by live interviewers calling both landline and cell phones. All respondents were asked questions concerning basic demographics, and the entire sample was weighted to reflect national Census figures for gender, race, age, education, region of country, and telephone usage. Among the entire sample, 31% described themselves as Democrats, 25% described themselves as Republicans, and 44% described themselves as Independents or members of another party

Crosstabs on the following pages only include results for subgroups with enough unweighted cases to produce a sampling error of +/- 8.5 percentage points or less. Some subgroups represent too small a share of the national population to produce crosstabs with an acceptable sampling error. Interviews were conducted among these subgroups, but results for groups with a sampling error larger than +/-8.5 percentage points are not displayed and instead are denoted with "N/A".

Question 6

How would you rate the economic conditions in the country today - as very good, somewhat good, somewhat poor, or very poor?

Base = Total Sample
