

Dear Chairman:

I write this letter to inform you that the decision to suspend my campaign for President of the United States is not intended to release any National Convention Delegates bound to me as a result of the 2016 delegate selection process that took place in your State. It is my desire at this time that the delegates allocated to me by your rules remain bound to vote for me on at least the first nominating ballot at the National Convention.

Thank you for your attention to this matter.

Sincerely,

Marco Rubio
