IN AND FOR OKEECHOBEE COUNTY, FLORIDA

STATE OF FLORIDA

Case No. 47-2016-CJ-000157-A

-vs-

Defendant(s)

AGREEMENT/REQUEST TO DROP CHARGE(S)

I request/agree that the charges against  be dropped because:

he is not in the classroom to where he may
a threat to other students. I pressed charges
in order to get the ball rolling to get his
mother to realize he needs additional help.
I think it is now understood the additional
help is needed. The students are back in
a safe environment and the class can resume
instruction.
